

Chair, Transportation Committee
RE: AN ACT CONCERNING THE ESTABLISHMENT OF ELECTRONIC TOLLS AT THE STATE'S BORDERS

Please add this to the testimony regarding this bill.

As a local business owner and Greenwich with a Byram commercial location within 250 yards of the entrance/ exit 2- I-95, this is toll is a nightmare for me. It will add traffic locally from toll dodgers, and daily expense for deliveries from our location to our predominantly Connecticut based clients, commuting delays and expense to go to my home in Old Greenwich. Traffic, delays and expense every day for as long as I work. This is a life sentence, Please do not support this legislation!
